Dear Mobilehome Park Owner/Manager:

This is to inform you that the change in the Consumer Price Index (CPI) from the 1st half 2010 to 1st half 2011 for the San Diego County area is 3.4% as published on August 18, 2011 by the Bureau of Labor Statistics of the U.S. Department of Labor.

In accordance with Section 9.50.050 of the City of Chula Vista Municipal Code, Mobilehome Park Space Rent Review, "rents for mobilehome residents may be increased automatically and only once in a calendar year by no more than the percentage change in the CPI, when the CPI is three percent (3%) or less, and 75 percent of that change in the CPI above three percent (3%) to be known as the 'annual permissive' rent increase." Therefore, the **annual permissive rent increase is 3.3 percent (3.3%)** for those residents who will receive notice of an annual rent increase from August 18, 2011 to mid February 2012.

Per Section 9.50.050 (B), you are required to post, in a prominent place, the notification from the City of Chula Vista of the new CPI so that all park residents have access to this information. The enclosed CPI notice is provided for your convenience.

Furthermore, in accordance with Section 9.50.063 (C) of the Municipal Code, park owners or their agents are required to submit a copy of any notice of increase in the space rent when such increase is in excess of the automatic permissive, at the same time the notice is issued to residents. ***This applies to existing residents only.***

Park owners and their agents must also post in a prominent place in the on-site management office, the "Notice of the Right to Mediate the Purchase Price of a Mobilehome" provided in Section 9.50.078.

You are encouraged to post a copy of this Chapter so that park residents have access to this information.
